In slide 27, module 6.a: What is the meaning of (not in 1XX) in the fields 371, 372, 377?

Dear Mona: Below is the answer to your question from Jessalyn Zoom.

In response to Mona Abdelkader (4)

371, 372, and 377 are separate new MARC fields now available for use to record attributes of FRBR Group One and Group Two entities in the name authority records. Information recorded in these fields is not eligible for use in the authorized access point in the 1XX field.
